Directions for Use

Remove dust and loose dirt from the surface before application. Add the product to clean water at the dilution ratio specified on the label. Apply the prepared solution using a mop or cloth. Replace the cleaning solution when it becomes dirty. Avoid leaving excess liquid on the surface. If necessary, wipe again with a clean, damp cloth or mop. Allow the floor to dry completely before reopening the area to foot traffic.

Surface Compatibility

Use on water-resistant hard surfaces suitable for wet cleaning. Before first use on delicate, painted or coated surfaces, test on a small, inconspicuous area.
