

ALL PURPOSE CLEANER POWDER

PRODUCT DESCRIPTION

All-Purpose Cleaner Powder Refill is a concentrated, eco-friendly mineral-based cleaning powder designed to prepare 500 ml of ready-to-use all-purpose cleaning solution. The formula combines mild alkalinity, effective chelating agents, and plant-derived surfactants to remove daily dirt, residues, and light grease from a wide variety of washable surfaces. It dissolves quickly in warm water and leaves no streaks or residues.

PURPOSE OF USE

Formulated for everyday cleaning of multiple household and commercial surfaces. Ideal for general-purpose cleaning, offering high performance with low environmental impact.

APPLICATION AREAS

Recommended for cleaning of kitchen counters, bathroom tiles, ceramic, glass, stainless steel, laminate, plastic, and painted surfaces. Not suitable for natural stone or untreated wood.

ADVANTAGES

- Non-hazardous CLP classification (no pictogram required).
- Mild alkaline cleaning suitable for daily use.
- Biodegradable surfactant and environmentally friendly components.
- Fast-dissolving powder for quick refill preparation.
- Free from phosphates, chlorine, parabens, and synthetic dyes.
- Supports low-waste cleaning systems.

ALL PURPOSE CLEANER POWDER

USAGE INSTRUCTIONS

Fill half of a 500 ml spray bottle with warm water (35–45°C). Add one sachet (18 g) of powder, stir or shake gently for 10–20 seconds until completely dissolved, then top up with water to 500 ml. Spray on the surface to be cleaned and wipe with a clean cloth. For heavily soiled areas, allow the product to sit for 1–2 minutes before wiping. Do not mix with acidic or bleach-based products.

COMPOSITION

Proprietary blend of alkaline builders, biodegradable water conditioners, natural chelating agents, and a plant-derived anionic surfactant.

All ingredients comply with Regulation (EC) No. 648/2004 on detergents and are readily biodegradable.

PHYSICAL AND CHEMICAL PROPERTIES

Property	Typical Value
Appearance	White free-flowing powder
Odor	Mild
pH (1% solution)	8.0 – 9.0
Solubility	Completely soluble in water
Density	Approx. 1.0 g/cm ³
Flammability	Non-flammable

ALL PURPOSE CLEANER POWDER

PACKAGING INFORMATION

18 g sachet (sufficient for 500 ml solution)

STORAGE CONDITIONS

Store in a cool, dry environment between 5°C and 30°C, away from direct sunlight, heat, and humidity. Keep the sachet tightly closed after each use to prevent moisture absorption. Shelf life is 24 months under recommended storage conditions.

SAFETY INSTRUCTIONS

Keep out of reach of children. Avoid contact with eyes and skin. In case of eye contact, rinse immediately with plenty of water and seek medical advice if irritation persists. Do not inhale dust. Do not ingest. Use with adequate ventilation. Do not mix with other cleaning products, particularly acids or bleach. Dispose of packaging in accordance with local recycling regulations.

GENERAL INFORMATION

This product is intended for household and professional cleaning use only. Data provided here are based on our current knowledge and experience and do not constitute a legally binding assurance of specific properties. Users should ensure suitability for their intended use before application.
