

ALLGREEN BANYO VE WC TEMİZLEYİCİ SPREY

Bathroom and Toilet Cleaning Spray

With Organic Tea Tree Oil

SLS/SLES-Free • Dye-Free • Artificial Fragrance-Free

PRODUCT DESCRIPTION

ALLGREEN Bathroom & WC Cleaner is a spray cleaner developed for everyday cleaning of washable hard surfaces in bathrooms and toilet areas. It helps remove daily soils and soap residues. The product contains organic tea tree oil and is formulated without SLS, SLES, added dyes or artificial fragrances. Its spray format allows direct application to the surface or a cleaning cloth.

PRODUCT FEATURES

- **Contains Organic Tea Tree Oil.**
- **SLS-Free:** Contains no Sodium Lauryl Sulfate.
- **SLES-Free:** Contains no Sodium Laureth Sulfate.
- **Dye-Free:** Contains no added dyes or colourants.
- **Artificial Fragrance-Free:** Contains no added artificial perfume or fragrance.
- **Spray Application:** Allows controlled application to surfaces or a cleaning cloth.
- **Everyday Cleaning:** For compatible, washable hard surfaces in bathrooms and toilet areas.

Because it contains tea tree oil, the product is not described as unscented or fragrance-free. The organic ingredient claim applies to the tea tree oil and does not indicate organic certification of the finished product.

APPLICATIONS

For the following surfaces, subject to confirmed material compatibility:

- Ceramic and tiled surfaces.
- Washbasins and surrounding washable areas.
- Shower areas and washable shower enclosure surfaces.
- Bathtubs.
- Internal and external ceramic toilet bowl surfaces.
- Other washable bathroom and WC surfaces.

Check the manufacturer's care instructions before use on fittings, metals, plastics, acrylics or specially coated surfaces.

ALLGREEN BANYO VE WC TEMİZLEYİCİ SPREY

DIRECTIONS FOR USE

Follow the application instructions on the product label. Spray onto the surface to be cleaned or a suitable cleaning cloth.

Clean with a non-abrasive sponge, cloth or appropriate cleaning brush. Remove product residues by rinsing with water or wiping with a clean, damp cloth. Repeat if necessary.

For internal toilet bowl surfaces, clean with a suitable toilet brush and flush after cleaning. Do not apply over another cleaning chemical already present in the bowl.

SURFACE COMPATIBILITY

Test on a small, inconspicuous area before first use. Do not use on marble, natural stone, sensitive metals, painted surfaces or special coatings unless compatibility has been confirmed.

The absence of SLS and SLES does not establish suitability for every surface. Follow the surface manufacturer's cleaning and care instructions.

STORAGE AND HANDLING

Store in the original, closed packaging in a cool place away from direct sunlight. Protect from freezing and excessive heat.

SAFETY INFORMATION

Keep out of reach of children. Avoid contact with eyes and inhalation of spray mist. Do not ingest. Ensure adequate ventilation during use.

Do not mix with bleach, chlorinated products or other cleaning chemicals.

Contains tea tree oil. The absence of artificial fragrances does not mean that the product is allergen-free. Refer to the product label and Safety Data Sheet for detailed safety precautions and first-aid information.

ADDITIONAL INFORMATION

The product is intended for surface cleaning. The presence of tea tree oil alone does not establish antibacterial, antifungal or disinfectant efficacy of the finished product.

This Technical Data Sheet does not replace the Safety Data Sheet.
