

ALLGREEN FRUIT & VEGETABLE RINSE

Spray Cleaner for Fruit and Vegetables
Caustic-Free • Dye-Free • Fragrance-Free • Chlorine-Free • SLES/SLS-Free

PRODUCT DESCRIPTION

ALLGREEN Fruit & Vegetable Rinse is a spray product developed to assist in cleaning and rinsing the outer surfaces of fresh fruit and vegetables. It is intended to support the removal of surface dirt and residues during washing.

The spray format allows application across produce surfaces. After use, fruit and vegetables must be thoroughly rinsed under potable running water.

PRODUCT FEATURES

- **Caustic-free:** Contains no sodium hydroxide.
- **Dye-free:** Contains no added dyes or colourants.
- **Fragrance-free:** Contains no added perfume or fragrance.
- **Chlorine-free.**
- **SLES-free:** Contains no Sodium Laureth Sulfate.
- **SLS-free:** Contains no Sodium Lauryl Sulfate.
- **Spray application:** Designed for application to the outer surfaces of fruit and vegetables.
- **Rinsing required:** Must be removed with potable water after use.

The absence of added fragrance does not exclude a characteristic raw-material odour.

INTENDED USE AND SCOPE

Intended to assist in cleaning the edible or peelable outer surfaces of fresh fruit and vegetables before rinsing.

Removal of surface residues depends on the type of produce, surface characteristics, nature of the residue and application conditions. The product does not guarantee removal of agricultural chemical residues that have penetrated the produce.

DIRECTIONS FOR USE

Clean your hands and the preparation area. Inspect produce for mould or deterioration and separate items unsuitable for consumption.

Spray onto the outer surfaces of fruit and vegetables according to the application instructions on the product label. Where appropriate, gently rub firm produce to assist cleaning, taking care not to damage delicate items.

After application, rinse fruit and vegetables thoroughly under potable running water. Dry with a clean cloth or paper towel where required.

ALLGREEN FRUIT & VEGETABLE RINSE

Do not consume treated produce without rinsing. Do not use the product as a food or beverage ingredient.

PERFORMANCE AND LIMITATIONS

Performance relating to bacterial or fungal reduction and the removal of pesticides or other agricultural chemical residues must be substantiated through appropriate testing of the finished product. This Technical Data Sheet provides no verified efficacy percentage or disinfection claim for these effects.

The product is not intended to make mouldy or spoiled food suitable for consumption. Washing and rinsing do not guarantee complete removal of all microorganisms or pesticide residues.

STORAGE AND HANDLING

Store in the original, closed packaging in a cool place away from direct sunlight. Protect from freezing and excessive heat.

Do not transfer into food or beverage containers.

SAFETY INFORMATION

Keep out of reach of children. Avoid contact with eyes and inhalation of spray mist. Do not ingest the product.

Do not mix with bleach, disinfectants or other cleaning products. Refer to the product label and Safety Data Sheet for detailed safety and first-aid information.

ADDITIONAL INFORMATION

Suitability for direct application to fruit and vegetables must be assessed for the finished formulation and recommended rinsing conditions.

This Technical Data Sheet does not replace the Safety Data Sheet.
