

ALLGREEN KITCHEN CLEANER

Kitchen Degreaser Spray

Caustic-Free • Phosphate-Free • Chlorine-Free • Dye-Free • Fragrance-Free

PRODUCT DESCRIPTION

ALLGREEN Kitchen Cleaner is a spray degreaser developed for cleaning grease and food residues from washable kitchen surfaces and equipment. It is intended for use on compatible surfaces of cooker hoods, stovetops, ovens, grills and air fryers. The product contains no caustic soda, phosphates, chlorine, added dyes or fragrances. Its spray format allows targeted application to the area being cleaned.

PRODUCT FEATURES

- **Kitchen Degreaser:** Helps remove grease and food-related soils.
- **Spray Application:** Allows targeted application to accessible surfaces.
- **Caustic-Free:** Contains no caustic soda.
- **Phosphate-Free. Chlorine-Free**
- **Dye-Free:** Contains no added dyes or colourants.
- **Fragrance-Free:** Contains no added perfume or fragrance.

A characteristic raw-material odour may be present despite the absence of added fragrance.

APPLICATIONS

For compatible, washable surfaces and removable components of: • Cooker hoods and washable grease filters. • Stovetops and cooker surfaces. • Ovens, oven trays and racks. • Grills and grill grates. • Air fryer baskets, trays and removable cooking accessories. •

Other washable kitchen equipment and work surfaces. Follow the equipment manufacturer's cleaning instructions. Do not apply to non-washable filters, electrical components, heating elements or surfaces unsuitable for wet cleaning.

DIRECTIONS FOR USE

Switch off the appliance and disconnect it from the power supply where applicable. Allow cooking surfaces and equipment to cool completely before cleaning. Spray onto the compatible surface or apply to a cleaning cloth. On appliances, use a cloth where necessary to prevent liquid from entering openings or electrical components. Wipe with a suitable non-abrasive sponge or cloth. Repeat if required for persistent grease. Remove product residues with clean water or a clean, damp cloth. Thoroughly rinse food-contact surfaces, cooking accessories and removable parts with potable water after cleaning. Allow all cleaned parts to dry before reassembly and use. Do not spray into air fryer housings, fans, vents or electrical connections. Do not immerse electrical appliances in water.

ALLGREEN KITCHEN CLEANER

SURFACE COMPATIBILITY

Test on a small, inconspicuous area before first use. Compatibility must be confirmed before use on aluminium, painted or varnished surfaces, non-stick coatings, natural stone and other sensitive materials. Caustic-free does not mean that the product is suitable for every surface. Follow the surface and equipment manufacturer's care instructions.

STORAGE AND HANDLING

Store in the original, tightly closed packaging in a cool, dry place away from direct sunlight. Protect from freezing and excessive heat.

SAFETY INFORMATION

Keep out of reach of children. Avoid contact with eyes and inhalation of spray mist. Do not ingest or mix with other cleaning products. Refer to the product label and Safety Data Sheet for hazard information, protective measures and first-aid instructions.

ADDITIONAL INFORMATION

Intended for cleaning kitchen surfaces and equipment, not for washing food. No disinfection claim is made.

This Technical Data Sheet does not replace the Safety Data Sheet.
