ALLGREEN WINDOW CLEANER

Wipe evenly to remove dirt, then finish with a clean, dry microfibre cloth. Replace or clean the cloth when soiled to avoid redistributing dirt. For mirrors, apply to the cloth and avoid wetting the edges or backing. Avoid application to hot glass or in direct sunlight, where rapid drying may make cleaning more difficult.

SURFACE COMPATIBILITY

Test on a small, inconspicuous area before first use. Avoid contact with water-sensitive frames, unfinished wood and incompatible adjacent materials.

Do not use on electronic screens, optical lenses or specialist coatings unless suitability has been confirmed by the relevant manufacturer.

STORAGE AND HANDLING

Store in the original, tightly closed container in a cool place away from direct sunlight. Protect from freezing and excessive heat.

SAFETY INFORMATION

Keep out of reach of children. Avoid contact with eyes. Do not ingest. Avoid inhalation of mist if applied by spraying and ensure adequate ventilation during use. Do not mix with other cleaning products. Contains natural mint oil. The absence of added perfume does not mean the product is allergen-free.
