

## Heavy-Duty Degreaser

• Fosfat içermez • Klor içermez

### Lemon-Scented Alkaline Cleaner for Kitchen Surfaces

#### PRODUCT DESCRIPTION

CanStar Heavy-Duty Degreaser is an alkaline cleaning product developed to remove heavy grease, food residues and stubborn soiling from kitchen surfaces. Suitable for compatible cooker hoods, stovetops, ovens, grills and air fryer components.

It helps loosen and remove greasy deposits, making cleaning easier. Its pleasant lemon fragrance leaves a fresh scent after use.

#### PRODUCT FEATURES

- **Powerful Degreasing Action:** Helps remove accumulated grease and food residues.
- **Heavy-Duty Cleaning:** Developed for heavily soiled kitchen surfaces.
- **Versatile Application:** Can be used on compatible kitchen surfaces and equipment.
- **Lemon Fragrance:** Provides a pleasant scent during and after cleaning.
- **Convenient Cleaning:** Helps remove dirt with a suitable cloth, sponge or brush.

#### APPLICATIONS

- Washable, compatible surfaces of cooker hoods and extractor units.
- Stovetops and removable hob grates.
- Suitable oven interior surfaces and trays.
- Washable grill and cooking equipment components.
- Compatible, removable air fryer baskets and trays.
- Kitchen worktops and hard surfaces suitable for alkaline cleaners.

#### DIRECTIONS FOR USE

Switch off and unplug the appliance before cleaning, and allow the surface to cool. Remove loose food debris.

Apply the product to the soiled area according to the label instructions. Follow the specified contact time and do not allow the product to dry on the surface. Remove grease and dirt with a suitable cloth, sponge or brush.

# TECHNICAL DATA SHEET (TDS)

TEKNİK BİLGİ FORMU

## Heavy-Duty Degreaser

Rinse the surface thoroughly with water after cleaning. Use potable water on food-contact surfaces and equipment to remove all product residues. Repeat if necessary. For electrical appliances such as air fryers, clean removable components separately. Do not apply directly to the appliance body, heating elements, fans, electrical connections or ventilation openings. Allow components to dry completely before reassembly.

### SURFACE COMPATIBILITY

Test on a small, inconspicuous area before first use. Follow the appliance and surface manufacturer's care instructions. Do not use on aluminium, copper, brass, painted surfaces or sensitive coatings without confirming compatibility. Apply to non-stick baskets, pans and trays only where the manufacturer permits alkaline cleaners. Do not use abrasive sponges or brushes. Do not apply to self-cleaning oven linings or catalytic panels without the appliance manufacturer's approval.

### STORAGE AND HANDLING

Store in the original, tightly closed container in a cool place away from direct sunlight. Protect from excessive heat and freezing. Store separately from food and beverages.

### SAFETY INFORMATION

Keep out of reach of children. Avoid contact with eyes and skin. Wear protective gloves during application and protect eyes from splashes. Avoid inhalation of spray mist and ensure adequate ventilation.

Do not ingest. Do not mix with acidic products, bleach or other cleaning chemicals. Do not apply to hot surfaces. Refer to the product label and Safety Data Sheet for detailed safety precautions and first-aid information.
