

BIODEGRADABLE BATHROOM & TOILET CLEANER – VEGAN

Product Description

Biodegradable Bathroom & Toilet Cleaner is a plant-based cleaning product developed to remove limescale, soap scum, dirt, and mineral buildup from bathroom surfaces. It is designed to provide strong cleaning performance while remaining suitable for everyday use in homes and professional cleaning environments. The formula helps leave surfaces visibly cleaner, brighter, and easier to maintain without relying on chlorine, ammonia, phosphates, SLS, SLES, or harsh solvents. It rinses easily and supports a clean, shiny finish on treated surfaces.

Intended Use

The product is intended for routine and intensive cleaning of bathroom and toilet surfaces exposed to limescale, soap residues, water marks, and general dirt buildup. It is suitable for users seeking a vegan and biodegradable bathroom cleaner for regular maintenance of hygiene-critical wet areas. It is designed for use on non-porous bathroom surfaces in domestic and professional settings.

Application Areas

The product may be used on sinks, tiles, toilets, faucets, shower cabins, ceramic surfaces, chrome surfaces, stainless steel bathroom fittings, and other non-porous bathroom surfaces. It is suitable for home bathrooms as well as hotels, gyms, spas, offices, and professional cleaning environments. It is intended for washable bathroom surfaces requiring regular descaling and soil removal.

Product Advantages

The product helps remove soap scum, mineral deposits, limescale, dirt, and everyday residues from bathroom surfaces. Its plant-based cleaning system supports effective descaling and helps leave surfaces visibly brighter and cleaner after use. The formula is biodegradable and vegan and does not contain SLS, SLES, chlorine, phosphates, ammonia, parabens, or synthetic dyes. It rinses easily, leaves no visible film when used as directed, and helps support a shiny, streak-free finish. Regular use may also help reduce limescale buildup over time and simplify routine maintenance.

Directions for Use

Apply the product directly onto the surface or onto a suitable cleaning cloth or sponge depending on the

application area. Allow a short contact time so the product can loosen limescale, soap scum, and dirt deposits. Wipe or scrub as needed, then rinse thoroughly with clean water. Repeat the application where necessary for heavier buildup. Always test first on a small inconspicuous area before full application on sensitive finishes.

Physical and Chemical Properties

Form: Liquid

Odor: Mild, pleasant fragrance

Application Type: Bathroom and toilet surface cleaner

Surface Finish After Use: Clean and shiny

Rinsing: Easy rinsing

Biodegradability: Biodegradable

Formula Type: Plant-based, vegan

Packing

Available in flexible packaging options including 1 L, 2 L, 3 L, and 5 L bottles for consumer use, as well as 10 L, 20 L, and bulk supply options for larger-scale applications. Custom packaging, private label, private label manufacturing, contract filling, fragrance customization, bottle color options, cap selection, and full label design support are available upon request for wholesale and professional distribution needs. Concentrated versions may also be supplied to reduce storage and shipping costs.

Storage Conditions

Store in the original, tightly closed container in a cool, dry, and well-ventilated place. Protect from direct sunlight, frost, and excessive heat. Keep the container securely closed when not in use.

Safety Information

Use the product only as directed. Avoid contact with eyes. Keep out of reach of children and unauthorized persons. Do not mix with other cleaning chemicals unless compatibility has been confirmed. Refer to the Safety Data Sheet (SDS) for detailed information on safe handling, storage, first aid measures, and disposal.

General Information

The information provided in this Technical Data Sheet is based on current knowledge and practical experience.
