BIODEGRADABLE PET-SAFE CLEANER - VEGAN

Product Description

Biodegradable Pet-Safe Cleaner is a gentle and effective surface cleaning product developed for homes and professional environments where pets live, play, sleep, eat, and move freely. Its plant-based formula helps remove surface dirt, light stains, fur marks, and odor-causing residues from frequently used pet areas while supporting a clean and hygienic environment. The product is designed to freshen surfaces without leaving harsh chemical residues behind. It is fully vegan and biodegradable and does not contain SLS, SLES, ammonia, chlorine, phosphates, parabens, aggressive solvents, or artificial dyes.

Intended Use

The product is intended for routine cleaning of washable surfaces in areas frequently used by pets. It is suitable for daily maintenance in homes, pet care environments, and commercial facilities where gentle but effective cleaning is required. It is designed for users seeking a plant-based, biodegradable cleaning product suitable for pet living spaces and shared household environments.

Application Areas

The product may be used around food and water bowl areas, litter box surroundings, pet bedding, cushions, carpets, sofas, travel crates, training pad zones, play areas, and indoor pet furniture. It is also suitable for professional pet-related environments such as grooming salons, veterinary clinics, pet hotels, and shelters. It may be used on washable surfaces requiring frequent cleaning and odor control in pet-care spaces.

Product Advantages

The product helps remove everyday dirt, light stains, fur marks, and odor-related residues from pet-contact surfaces. Its plant-based and biodegradable formula supports gentle daily cleaning without relying on harsh or highly aggressive ingredients. It is free from SLS, SLES, chlorine, phosphates, ammonia, parabens, artificial dyes, and toxic solvents. The quick-drying structure helps leave surfaces clean and refreshed without visible residue when used as directed. The formulation is suitable for regular use in homes with cats, dogs, and other companion animals, as well as in professional pet environments.

Directions for Use

Apply the product directly onto the surface or onto a clean cloth depending on the cleaning area and level of

soiling. Wipe the surface thoroughly and allow it to dry. For heavily soiled areas, repeat the application if necessary. When using on soft furnishings, carpets, or specialty surfaces, test first on a small inconspicuous area. Use regularly for routine maintenance of pet living and feeding areas.

Physical and Chemical Properties

Form: Liquid
Odor: Mild natural fragrance
Application Type: Surface cleaner for pet areas
Drying Character: Quick-drying
Residue After Use: None when used as directed
Biodegradability: Biodegradable
Formula Type: Plant-based, vegan

Packing

Available in flexible packaging options including 1 L, 2 L, 3 L, and 5 L bottles for consumer use, as well as 10 L, 20 L, and bulk supply options for larger-scale applications. Custom packaging, private label, private label manufacturing, contract filling, fragrance customization, trigger sprayer selection, bottle color options, and full label design support are available upon request for wholesale and professional distribution needs. Concentrated versions may also be supplied to reduce storage and shipping costs.

Storage Conditions

Store in the original, tightly closed container in a cool, dry, and well-ventilated place. Protect from direct sunlight, frost, and excessive heat. Keep the container securely closed when not in use.

Safety Information

Use the product only as directed. Avoid contact with eyes. Keep out of reach of children and unauthorized persons. Do not mix with other cleaning chemicals unless compatibility has been confirmed. Refer to the Safety Data Sheet (SDS) for detailed information on safe handling, storage, first aid measures, and disposal.

General Information

The information provided in this Technical Data Sheet is based on current knowledge and practical experience.
