

ALLGREEN NATURAL DISHWASHER POWDER

SLS-Free • Phosphate-Free • Chlorine-Free • Dye-Free • Fragrance-Free

PRODUCT DESCRIPTION

Natural Dishwasher Powder is developed to help remove grease, food residues and everyday soiling from dishwasher-safe kitchenware in automatic dishwashers. Its powder formula contains no SLS, phosphates, chlorine, dyes or added fragrances. Supplied in stand-up pouch packaging. A characteristic raw-material odour may be present.

PRODUCT FEATURES

- **Developed for automatic dishwashing.**
- **Helps remove grease and food residues.**
- **Powder format:** Dosed according to the label instructions, considering load size and degree of soiling.
- **SLS-free:** Contains no Sodium Lauryl Sulfate.
- **Phosphate-free.**
- **Chlorine-free.**
- **Dye-free:** Contains no added dyes or colourants.
- **Fragrance-free:** Contains no added perfume or fragrance.
- **Stand-up pouch packaging:** Keep tightly closed after use to protect the contents from moisture.

APPLICATIONS

For dishwasher-safe items, including:

- Plates, bowls and cups.
- Drinking glasses and glass kitchenware.
- Forks, spoons and knives.
- Pots, pans and cooking utensils.
- Washable food storage containers.

Check each item's care instructions before use. Do not use on aluminium, silver, copper, wood, crystal, decorative prints or specially coated items unless suitability has been confirmed.

DIRECTIONS FOR USE

1. Remove large food scraps from the dishes.
2. Load the dishwasher so that spray arms can rotate freely and water can reach the surfaces.
3. Add the amount specified on the product label to the dry detergent dispenser and close the lid.

ALLGREEN NATURAL DISHWASHER POWDER

4. Select a programme appropriate for the degree of soiling and the items' care instructions.
5. Allow the complete wash and rinse programme to finish.

Consider water hardness, load size and degree of soiling when selecting the dosage. Avoid overdosing.

Use dishwasher salt and rinse aid according to the appliance manufacturer's instructions and local water hardness. Do not treat this product as a replacement for these auxiliaries unless that function has been verified.

Do not use for washing dishes by hand. Do not add hand dishwashing liquid or other cleaning chemicals to the detergent dispenser.

PACKAGING AND STORAGE

Store in the original packaging in a cool, dry place away from direct sunlight. Protect from moisture and excessive heat. Close the pouch tightly after each use. Use a clean, dry measuring utensil. Prevent water from entering the packaging. Exposure to moisture may cause caking.

SAFETY INFORMATION

Keep out of reach of children. Do not ingest. Avoid contact with eyes, prolonged skin contact and inhalation of powder dust. Do not mix with other cleaning chemicals. Do not transfer the product into food containers. Refer to the product label and Safety Data Sheet for detailed safety precautions, hazard classification and first-aid information.

ADDITIONAL INFORMATION

This product is intended for dish cleaning. It is not presented as a dishwasher maintenance cleaner or disinfectant. This Technical Data Sheet does not replace the Safety Data Sheet or the appliance manufacturer's instructions.
