APPLICATIONS

For cleaning compatible, water-washable textiles. Check fabric care labels before use on clothing, bed linen, towels and other household textiles.

Confirm suitability before use on coloured or delicate fabrics. Do not use on wool, silk or dry-clean-only items unless compatibility has been established.

DIRECTIONS FOR USE

1. Sort laundry by colour, fabric type and degree of soiling.
2. Follow the washing temperature and instructions on the fabric care label.
3. Select the detergent quantity according to the dosage table on the product label. Consider water hardness, load size and degree of soiling.
4. For machine washing, add to the compartment designated for powder detergent by the appliance manufacturer.
5. Run a suitable wash programme and ensure adequate rinsing.
