

## ROBOT VACUUM DETERGENT

**Controlled Foaming for Household Cleaning Robots • Multiple Fragrance Options**

### PRODUCT DESCRIPTION

Robot Vacuum Detergent is developed for floor cleaning with household robot vacuum cleaners equipped with a mopping function. Its controlled-foaming performance is tailored to robotic wet cleaning and helps remove everyday dirt. Suitable for compatible hard floors. Available in different fragrance variants, it leaves a pleasant scent in the cleaned area.

### PRODUCT FEATURES

- **Controlled Foaming:** Foam performance adjusted for robotic floor cleaning.
- **Everyday Surface Cleaning:** Helps remove daily dirt from hard floors.
- **Pleasant Fragrance:** Leaves a fresh scent after cleaning.
- **Multiple Fragrance Options:** Available in different variants to suit user preferences.
- **Developed for Robotic Cleaning:** Intended for compatible household robot vacuum and mopping systems that permit detergent use.

### APPLICATIONS

- Compatible household robot vacuum cleaners with wet cleaning and mopping functions.
- Robotic mopping systems that permit detergent use.
- Ceramic, tiled and porcelain floors.
- Compatible, water-cleanable hard floors.
- Sealed wood, laminate and vinyl floors where permitted by their care instructions.

### DIRECTIONS FOR USE

Check the robot manufacturer's instructions regarding cleaning product use before application. Use the dosage stated on the product label. For systems that accept detergent in the water tank, prepare the specified amount with clean water. For appliances with a separate detergent reservoir or automatic dosing system, follow the manufacturer's filling instructions. Do not exceed the maximum tank fill level. Select water-flow and mopping settings appropriate for the floor, then start the cleaning programme. Do not overdose. After cleaning, maintain the mop pads and relevant tanks according to the appliance manufacturer's instructions. Do not return prepared solution to the original product container.

## ROBOT VACUUM DETERGENT

### SURFACE AND APPLIANCE COMPATIBILITY

Follow the floor and appliance manufacturers' care instructions. Test on a small, inconspicuous area before first use.

Do not use in appliances designed for water only or where detergent use is not permitted.

Do not apply to unfinished wood, water-sensitive surfaces or damaged floor finishes. Avoid excessive wetting of wood and laminate floors. Do not apply directly to the appliance's motor, sensors, charging station or electrical components.

### STORAGE AND HANDLING

Store in the original, tightly closed container in a cool place away from direct sunlight. Protect from excessive heat and freezing. Store separately from food and beverages.

### SAFETY INFORMATION

Keep out of reach of children and pets. Avoid contact with eyes. Do not ingest. Do not mix with other detergents or cleaning chemicals.

Be aware of slipping hazards until the cleaned floor is completely dry. Refer to the product label and Safety Data Sheet for detailed safety precautions and first-aid information.
